WHAT DOES THE SAFEGUARDING TEAM DO AT OUR LADY'S?

We support families & children with a wide range of needs on a daily basis. We link families regularly with many agencies, including Social Care, through team around the child meetings held at school.

WHY MIGHT SCHOOL REFER TO SOCIAL CARE?

All agencies, including school have to follow strict safeguarding processes which mean that occasionally we have to contact Social Care, either for advice or to share a concern. Reasons are many & varied including when things happen at home.

CAN ANYONE REFER TO SOCIAL CARE?

YES! Anyone who is worried about a child's welfare can contact Social Care to report a concern. You do NOT need to leave your name when you contact them with a concern. To pass on a concern to Social Care you can call 01925 443400, where you can speak directly to an advisor.

WHAT IS A DESIGNATED OFFICER?

All agencies, including schools, have a designated officer. This person at school has attended rigorous safeguarding training so they will know when to pass things on. Our school designated officers are: Mr Marciniak (Lead), Mr Gilby & Mrs Storey.

DOES SCHOOL OR ANOTHER AGENCY ALWAYS TELL A PARENT OF A REFERRAL TO SOCIAL CARE?

No. In order to keep children safe sometimes we have to leave it to the experts. This type of high level concern is very rare as in most cases Social Care would ask that school or the other referring agency speak with parents first.

REMEMBER!

School has a duty of care, as do you as parents & carers, to safeguard our children. It is all our joint responsibility to report welfare concerns to Social Care. This does not mean that children will automatically be removed from home, but that we as adults can ensure that our children are able to enjoy their childhood free from harm.

The Safeguarding Team are available to meet with parents or can be contacted at school on 01925 633270. We are always here to help!
