PSQM Awarded to Our Lady's

This week...

At Our Lady's we're delighted the hard work of our Science lead Miss Pickering and the great work done by our staff and pupils has been recognised... we've just been awarded the Primary Science Quality Mark for excellence in Science!

We Love Reading!

Book & a biscuit!

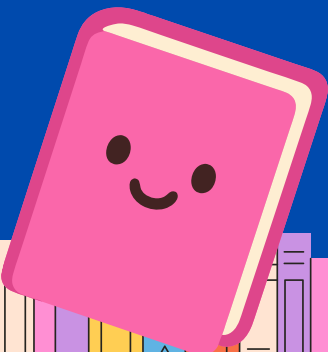

Y3 enjoyed a 'book and a biscuit session in the hall where parents and children alike enjoyed reading or listening to a range of books. It was a lovely occasion and other year groups will be holding similar sessions across the year...

READING RECOMMENDATIONS

"When I was young, my favourite children's books were the Narnia series by C.S. Lewis, like The Silver Chair and The Lion, The Witch and the Wardrobe."

Our Mission Statement

As Our Lady instructed, we are called to follow His Word (John 2:5) - learning with love, joy and hope.

We're proud of our prayer spaces which let children connect with God in a quiet, personal space...

Harvest Assembly

Our Y6 were super in leading our Harvest assembly... you can see clips of our school singing too on our social media! All your kind donations will head off to St. Joseph's Family Centre... Thank you!

Attendance...

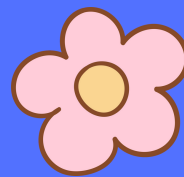

The school target each week is 96%.

This week sadly was 92% - hopefully after a good rest we can get back up to 96% after the holiday!

Attendance is crucial for your child's learning development so let's work together to keep their attendance levels as high as they can be...

Reminders

Attendance

We know attendance matters - it impacts upon every child's learning and we thank you for your efforts to ensure your child attends every day. At the start of the year, letters went home from the Local Authority about absence and actions that can be taken. If you need another copy of that letter, please visit the office. Moving forward, any family that wishes to inform school of a planned absence, must complete a Leave of Absence Form and hand this to the office; note, a phone call is no longer sufficient. A copy of the form will be shared via our Arbor email system; also, it will be added to the school website for you to download and print, and hard copies will be left in the office should you wish to collect.

Again, thank you for making every effort to support our attendance records and your child's education.

Punctuality

Please remember that our school bell goes at 8.45am. That is the time all pupils should be lined up.

We have a number of pupils entering through the office after learning has begun, which starts as soon as the children are in the building. Please make every effort to have your child in line at 8.45am so they do not miss out on their learning. Thank you.

Gates - these will be opened at 8.30am then locked at 8.50am; they will be opened again at 3.05pm for the end of the day...

Uniform

We now keep lost/spare uniform in our storage area near the office. You are welcome to come and look in it for any lost uniform or to take any good quality spare uniform free of charge.

After school clubs for autumn 2

Letters went out to highlight those clubs on offer after the holiday with details of when and where they are and how to pay, if there is a fee. See the office if you have any queries.

Head teacher's comment...

We've reached the end of the first half-term of the year and I couldn't be prouder of our pupils and staff!

I'm also grateful to your, the parents, for supporting your children, whether that is coming in as secret readers or volunteer readers/listeners, helping your children with tasks at home or ensuring they get into school when they don't feel like it because it's getting colder and darker!

Thank you everyone, and I hope everyone has a happy and enjoyable break...
